# Foreword

---

1

We take pleasure in releasing this Spare Parts Catalogue for Himalayan Motorcycle.

This Catalogue has been specially designed for identification of correct part number to help in ordering Spare Parts, Special Tools and Service Publications from the company.

Royal Enfield Spare Parts are manufactured under stringent quality control to ensure ultimate riding experience. It is therefore important to use only Royal Enfield Genuine Spares.

The illustration of the various parts are not to scale and is intended to serve only as a means of identification of the component for its shape and relative location in its respective assembly.

Due to continuous improvements in the motorcycle, the part nos. and / or illustrations are subject to change without prior notice. However the changes will be intimated through technical Service Bulletin subsequently and periodically which must be updated by you in the catalogue at your end.

The part numbers and description were correct at the time of printing. While extreme care is taken in publishing this catalogue. We shall not be held responsible for any errors/omissions or wrong interpretations and consequent loss of any nature due to any of the above.

For enquiry, suggestions or feedback please write to us at
